## AVAILABLE IN 8 FINISHES AND 3 LIMITED WARRANTIES

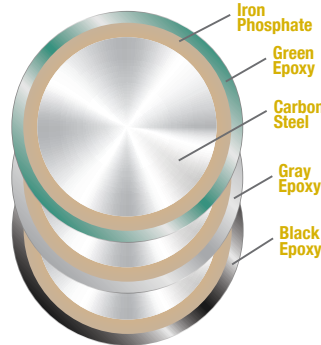

► **Chrome** - is a plating process which deposits hard chrome over a copper, nickel surface. This process is very durable and allows product to be used in any application in a dry storage environment. **1 year limited warranty to not rust or corrode when used in dry and non-humid environments.**

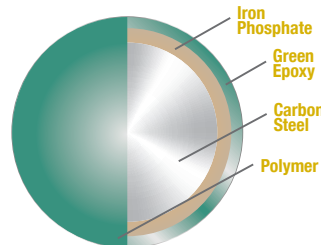

► **Galvanized Steel** - is a manufacturing process where a coating of zinc is applied to steel to offer protection and prevent rusting. The zinc protects the base metal by acting as a barrier to corrosive elements. **1 year limited warranty to not rust or corrode when used in dry and non-humid environments.**

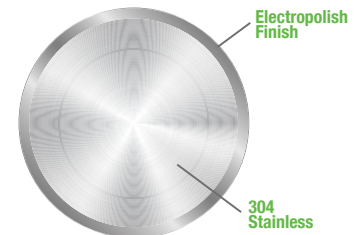

► **Proform Green, Gray and Black Epoxy** - are an ideal solution for high humidity, wet, or walk-in-cooler applications. The carbon steel is treated with an iron phosphate and the powder coated epoxy is electrostatically applied, baked and cured to a hard surface. All three colors are antimicrobial. **15 year limited warranty for antimicrobial finish to not rust or corrode.**

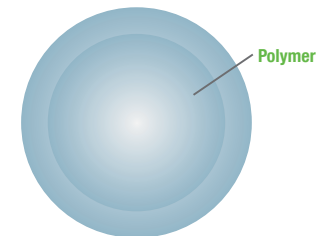

► **Proform Green Polymer** - is an ideal solution for high humidity, wet, or walk-in-cooler applications. The carbon steel is treated with an iron phosphate and the powder coated epoxy is electrostatically applied, baked and cured to a hard surface. All three colors are antimicrobial. Plastic mats are virgin grade Polypropylene. **15 year limited warranty for antimicrobial finish to not rust or corrode. Limited lifetime on polymer shelf mats.**

► **Stainless Steel** - 304 Stainless with an electro-polish finish represents the highest industry standard in the prevention of corrosion. This finish is highly effective for corrosive, high humidity or clean room environments. **Lifetime limited warranty for 304 stainless steel electro-polish finish to not rust or corrode.**

► **Millenia Polymer** - all polymer, the best industry standard in the prevention of corrosion. This finish is highly effective for corrosive, high humidity or clean room environments. **Lifetime limited warranty to not rust or corrode.**
